

**GPH ISPAT LIMITED**  
**INDEPENDENT AUDITORS' REPORT**  
**AND FINANCIAL STATEMENTS**  
**AS AT AND FOR THE YEAR ENDED 30 JUNE 2021**

**INDEPENDENT AUDITORS' REPORT**  
to the Shareholders of  
**GPH ISPAT LIMITED**

**Opinion**

We have audited the accompanying financial statements of **GPH Ispat Limited** (the Company), which comprise the Statement of Financial Position as at 30 June 2021, the Statement of Profit or loss and Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the period from 1 July 2020 to 30 June 2021, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to explanations given to us, the accompanying financial statements, prepared in accordance with International Financial Reporting Standards (IFRSs), give a true and fair view of the financial position of the company as at 30 June 2021 and of its financial performance and cash flows for the period from 1 July 2020 to 30 June 2021 and comply with the Companies Act, 1994, the Securities and Exchange Rules, 1987 and other applicable laws and regulations.

**Basis of opinion**

We conducted our audit in accordance with International Standard on Auditing (ISAs) as adopted by the Institute of Chartered Accountants of Bangladesh (ICAB). Our responsibilities under those standards are further described in "Auditors responsibilities for the audit of the financial statements" section of our report.

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) that are relevant to our audit of the financial statements in Bangladesh and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Key Audit Matters**

Key audit matters are those matters that, in the auditors' professional judgment, were of most significance in the audit of the financial statements for the year ended 30 June 2021. These matters, and any comments we make on the results of our procedures thereon, were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

SL	Key Audit Matter	How our audit addressed the key audit matter
1.	<p><b>Valuation of Inventories</b></p> <p>The Company has closing inventory BDT 10,065 million.</p> <p>Inventory is carried in the financial statements at the lower of cost and net realisable value. The exercise for the assessment of the net realisable value involves the use of judgement and assumptions that may vary depending on technological and socio-economical conditions and is therefore considered a significant key audit matter. Please refer to note 3.07 and 11 to the financial statements.</p>	<ul style="list-style-type: none"> <li>• Verified a sample of inventory items to ensure that costs have been appropriately recorded.</li> <li>• Tested on a sample basis the net realisable value by comparing costs to recent selling prices and assessing the reasonableness of any resulting write down of inventory items.</li> <li>• Assessed whether appropriate provisions have been recognised for aged, damaged, slow moving or obsolete inventories by reviewing the age of inventories held and evaluating management's basis for determining the usability of inventories.</li> <li>• Performed cut-off tests to determine that the purchases and sales of the inventories have been captured in the correct accounting period.</li> <li>• Reviewed the historical accuracy of inventory provisions and the level of write-downs.</li> </ul>
2.	<p><b>Revenue Recognition</b></p> <p>Appropriateness of revenue recognition and disclosures</p> <p>Revenue recognition has significant and wide influence on financial statements.</p> <p>As described in the accounting policy note 3.15 to the financial statements, the company recognises revenue upon transfer of control as per IFRS 15 – Revenue from Contracts with Customers. The company has reported total revenue of BDT 28,166 million. Refer to note 22 to the financial statements.</p> <p>This material item is subject to considerable inherent risk due to the complexity and identifying revenue and the high number of transactions from multiple locations from which revenue is being recognised. Against this background, the proper application of the accounting standards is considered to be complex and assumptions made by management.</p>	<p><b>How our audit addressed the key audit matter</b></p> <ul style="list-style-type: none"> <li>• Assessed the environment of the measurement as well as other relevant systems supporting the accounting of revenue.</li> <li>• Assessed manual as well as application controls supporting revenue recognition.</li> <li>• Assessed the invoicing and measurement systems up to entries in the general ledger.</li> <li>• Examined customer invoices and receipts of payment on a test basis.</li> <li>• Tested the revenue charging model against the regulatory guidelines, contractual provisions and accounting standards, on a sample basis.</li> </ul>

3. Valuation of Property, plant and equipment	How our audit addressed the key audit matter
<p>The Board of Directors of the company appointed "Ahmed Zaker &amp; Co., Chartered Accountants" as independent external valuator to conduct the valuation of "Land and land development, plant and machinery and factory building" of the Company as of 31 March 2021.</p> <p>The valuation has been conducted using the fair market value method as this is most commonly and appropriate for valuation of such class of assets. After having completed all the tasks, fair market value of land and land development, plant and machinery and factory building owned by the Company as of 31 March 2021 has been estimated BDT at 7,710,344,986 resulting in net revaluation gain of BDT 4,330,383,105.</p> <p>Due to the high level of judgement involved in estimating the fair value of land and land development, plant and machinery and factory building and significant carrying amount of the asset and liabilities associated with revaluation of land and land development, plant and machinery and factory building we considered this to be a key audit matter.</p> <p>Please refer to note 4.00 to the financial statements.</p>	<p>Our audit procedures in this area included among others:</p> <ul style="list-style-type: none"> <li>• Assessment and discussion of management's process for the valuation exercise and appointment of the external valuer. We also assessed the competence, independence and integrity of the external valuers.</li> <li>• Assessing the methodologies used and the appropriateness of the key assumptions used in valuation based on our knowledge of the industry;</li> <li>• Checking, on a sample basis, the accuracy and relevance of the input data used; and</li> <li>• Reviewing the disclosures included in the notes to the financial statements.</li> </ul>

**Reporting on other information**

Management is responsible for the other information. The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. Our opinion on the financial statements of the Company does not cover the other information and, accordingly, we do not express any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements of the Company or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. Based on the information read and reviewed, we have nothing to report in this regard.

**Responsibilities of management and those charged with governance for the financial statements**

Management is responsible for the preparation and fair presentation of these financial statements of the Company in accordance with International Financial Reporting Standards (IFRSs), the Companies Act, 1994, the Securities and Exchange Rules, 1987 and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

**Auditors' responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (a) identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (b) obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- (c) evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (d) conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- (e) evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- (f) obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the Company audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We communicate with those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We determine those matters, from the matters communicated with those charged with governance, that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on other legal and regulatory requirements**

In accordance with the Companies Act 1994 and the Securities and Exchange Rules, 1987, we also report the following;

- i) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
- ii) in our opinion, proper books of account as required by law have been kept by the Company so far as it appeared from our examination of these books;
- iii) the statement of financial position and statement of profit or loss and other comprehensive income dealt with by the report are in agreement with the books of account and returns and;
- iv) the expenditure incurred was for the purposes of the Company's business.

**As at and for the year ended 30 June 2021**

**1.00 REPORTING ENTITY**

**1.01 Formation and Legal Status**

GPH Ispat Limited (hereinafter referred to as "GPH" or "the company") was incorporated in Bangladesh as a Private Limited company on 17 May 2006 at the Office of the Registrar of Joint Stock Companies & Firms, Chittagong vide registration no. CH-5853 of 2006 under the Companies Act 1994. The company, subsequently, was converted into a Public Limited company on 18 December 2009 along with the subdivision of face value of shares from Tk. 100 to Tk. 10 each and enhancement of Authorized Capital from Tk. 2,500,000,000 to Tk. 10,000,000,000.

GPH became listed with Dhaka Stock Exchange Limited and Chittagong Stock Exchange Limited during April 2012. The registered office and principal place of business of the company is located at Crown Chamber, 325 Asadgonj, Chattogram, Bangladesh.

**1.02 Nature of Business**

The principal activities of the company are manufacturing and trading of iron products and steel materials of all kinds (except ferro alloy products) or other metallic or allied materials and marketing thereof. The commercial production of the factory commenced on 21 August 2008.

**2.00 BASIS OF PREPARATION AND PRESENTATION**

**2.01 Statement of Compliance**

The financial statements of the company under reporting have been prepared on a going concern basis following accrual basis of accounting except for statement of cash flows in accordance with the International Accounting Standards (IASs) and International Financial Reporting Standards (IFRSs) as adopted in Bangladesh by the Institute of Chartered Accountants of Bangladesh (ICAB).

**2.02 Basis of Reporting**

The financial statements are prepared and presented for external users by the company in accordance with identified financial reporting framework. Presentation has been made in compliance with the requirements of IAS 1 – "Presentation of Financial Statements". The financial statements comprise of:

- a) A statement of Financial Position as at 30 June 2021;
- b) A statement of Profit or Loss and Other Comprehensive Income for the year ended 30 June 2021;
- c) A statement of Changes in Equity for the year ended 30 June 2021;
- d) A statement of Cash Flows for the year ended 30 June 2021; and
- e) Notes, comprising a summary of significant accounting policies and explanatory information.

**2.03 Other Regulatory Compliances**

As required, GPH Ispat Limited complies with the following major legal provisions in addition to the Companies Act 1994 and other applicable laws and regulations:

- a) The Income Tax Ordinance 1984
- b) The Income Tax Rules 1984
- c) The Value Added Tax and Supplementary Duty Act 2012
- d) The Value Added Tax Rules and Supplementary Duty 2015
- e) The Securities and Exchange Ordinance 1969
- f) The Securities and Exchange Rules 1987
- g) Securities and Exchange Commission Act, 1993
- h) The Customs Act 1969
- i) Bangladesh Labour Law 2006

**2.04 Authorization for Issue**

The financial statements were authorized for issue by the Board of Directors on 28 October 2021.

**2.05 Basis of Measurement**

The Financial Statements have been prepared on going concern basis under the historical cost convention except investment in quoted shares which are measured at fair value.

## 2.06 Functional and Presentation Currency

The financial statements are expressed in Bangladesh Taka (Taka/Tk.) which is both functional currency and reporting currency of the Company. The figures of financial statements have been rounded off to the nearest Taka except when otherwise indicated.

## 2.07 Cash Flows Statement

Statement of Cash Flows is prepared principally in accordance with IAS-7 "Statement of Cash Flows" and the cash flows from operating activities have been presented under direct method. A reconciliation of net income or net profit with cash flows from operating activities making adjustments for non-cash items, for non-operating items and for the net changes in operating accruals as per requirement of Securities and Exchange Rules 1987.

## 2.08 Going Concern

The company has adequate resources to continue its operation in foreseeable future. For this reason the directors continue to adopt going concern basis in preparing the financial statements. The current revenue generations and resources of the company provide sufficient fund to meet the present requirements of its existing business and operation.

## 2.09 Reporting Period

The financial statements of the company covers one year from 01 July to 30 June and is followed consistently.

## 2.10 Application of Accounting Standards

The financial statements have been prepared in compliance with requirement of IASs (International Accounting Standards) and International Financial Reporting Standards (IFRSs) as adopted by the Institute of Chartered Accountants of Bangladesh (ICAB) as applicable in Bangladesh.

## 2.11 Initial application of new standards

The entity has initially applied IFRS 16 (see 3.05) from 01 July 2019. This standard do not have a material effect on the financial statements.

Due to the transition methods chosen by the management in applying these standards, comparative information throughout these financial statements has not been restated to reflect the requirements of the new standards.

## 2.12 Use of Estimates and Judgements

The preparation of these financial statements is in conformity with IAS and IFRS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an on going basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

In particular, information about significant areas of estimation, uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the following notes:

- Note: 4 Property, plant and equipment
- Note: 5 Capital work-in-progress
- Note: 7 Intangible assets
- Note: 11 Inventories
- Note: 12 Trade and other receivables
- Note: 16 Defined benefit obligation - gratuity
- Note: 17 Deferred tax liabilities
- Note: 21 Current tax liability

## 2.13 Classification of current and non-current

The Company presents assets and liabilities in the statement of financial position based on current/non-current classification.

### An asset is current when it is:

- Expected to be realised or intended to sold or consumed in the normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period

Or,

- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

**A liability is current when:**

- It is expected to be settled in the normal operating cycle
  - It is held primarily for the purpose of trading
  - It is due to be settled within twelve months after the reporting period
- Or,
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

#### **2.14 Comparative Information and reclassification**

Comparative information has been disclosed for all numerical information in the financial statements and also the narrative and descriptive information when it is relevant for understanding of the current period financial statements. To facilitate comparison, certain relevant balances pertaining to the previous period have been rearranged/reclassified wherever considered necessary to conform to current periods presentation.

### **3.00 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The specific accounting policies selected and applied by the company's directors for significant transactions and events that have material effect within the framework of IAS-1 "Presentation of Financial Statements", in preparation and presentation of financial statements have been consistently applied throughout the period and were also consistent with those used in earlier periods.

For a proper understanding of the financial statements, these accounting policies are set out below in one place as prescribed by the IAS-1 "Presentation of Financial Statements". The recommendations of IAS-1 relating to the format of financial statements were also taken into full consideration for fair presentation.

Set out below is an index of the significant accounting policies, the details of which are available on the following:

- 3.01 Consistency
- 3.02 Property, Plant and Equipment
- 3.03 Intangible Assets
- 3.04 Capital Work-in-Progress
- 3.05 Leases
- 3.06 Investment
- 3.07 Inventories
- 3.08 Financial Instruments
- 3.09 Impairment
- 3.10 Share Capital
- 3.11 Employee Benefits
- 3.12 Taxation
- 3.13 Loans and Borrowings
- 3.14 Provisions, Contingent Liabilities and Contingent Assets
- 3.15 Revenue Recognition
- 3.16 Other Income
- 3.17 Finance Income and Cost
- 3.18 Earnings Per Share
- 3.19 Measurement of Fair Values
- 3.20 Events after the Reporting Period

#### **3.01 Consistency**

Unless otherwise stated, the accounting policies and methods of computation used in preparation of Financial Statements for the year ended 30 June 2021 are consistent with those policies and methods adopted in preparing the financial statements for the year ended 30 June 2020.

### 3.02 Property, Plant and Equipment

#### i) Recognition and Measurement

Property, plant and equipment are stated at cost less accumulated depreciation except land and land development.

Cost includes expenditure that is directly attributable to the acquisition of asset. The cost of self constructed asset includes the cost of material and direct labour, any other costs directly attributable to bringing the assets to a working condition for their intended use, and the costs of dismantling and removing the items and restoring the site on which they are located.

#### ii) Pre-Operating Expenses and Borrowing Costs

Interest and other incurred by the company in respect of borrowing of fund are recognized as expenses in the year in which they incurred unless the activities that are necessary to prepare the qualifying assets for its intended use are in progress. Expenses capitalized also include applicable borrowing cost considering the requirement of IAS-23 "Borrowing Costs".

#### iii) Subsequent Costs and Maintenance Activities

The company recognizes in the carrying amount of an item of property, plant and equipment, the cost of replacing part of such an item when the cost is incurred, it is probable that the future economic benefits embodied with the item will flow to the company and the cost of the item can be measured reliably. Expenditure incurred after the assets have been put into operation, such as repair and maintenance is normally charged off as revenue expenditure in the year in which it is incurred. In situation where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefit expected to be obtained from the use of property, plant and equipment, the expenditure is capitalized as an additional cost of the assets. All other costs are recognized to the profit and loss account as expenses if incurred. All upgradation /enhancement are generally charged off as revenue expenditure unless they bring similar significant additional benefits.

#### iv) Depreciation

Land is held on a freehold basis and is not depreciated considering the unlimited life. In respect of all other property, plant and equipment, depreciation is recognized in the statement of profit or loss and other comprehensive income on diminishing balance method.

The board has decided to charge depreciation at the rate of 5% on plant and machinery effective from 01 July 2020 on its board of directors meeting held on 27 October 2020.

The depreciation rate(s) are as follows:

Class of assets	Rate of Depreciation for the year	
	30 June 2021	30 June 2020
Land & Land development	-	-
Plant and Machinery	5%	10%
Factory Building	5%	5%
Furniture, Fixture and Decoration	10%	10%
Computer and Accessories	20%	20%
Motor Vehicles	10%	10%
Logistic Vehicles	7.50%	7.50%
Electric and Gas Line Installation	5%	5%
Lab Equipment	10%	10%
Office Equipment	20%	20%

Depreciation of an asset begins when it is available for use, i.e. when it is in the location and condition necessary for it to be capable of operating in the manner intended by management. Depreciation of an asset ceases at earlier of the date that the asset is classified as held for sale in accordance with IFRS 5 and the date that the asset is derecognised. The depreciation method used reflects the pattern in which the asset's economic benefits are consumed by the entity. After considering the useful life of assets as per IAS-16 "Property, plant and equipment", the annual depreciation have been applied equal allocation of total cost over useful life of assets which is considered reasonable by the management.

Depreciation methods and useful lives are reassessed at the reporting date and adjusted if appropriate.

Upon retirement of assets, the cost and related accumulated depreciation are eliminated from the accounts and resulting gain or loss is charged or credited to statement of profit or loss and other comprehensive income.

**Total depreciation is distributed as under:**

<u>Category</u>	<u>Rate</u>
Direct expenses	90%
Administrative expenses	5%
Selling and distribution expenses	5%

**v) Impairment of Assets**

The company reviews the recoverable amount of its assets at each reporting date. If there exists any indication that the carrying amount of assets exceeds the recoverable amount, the company recognizes such impairment loss in accordance with IAS-36 "Impairment of Assets".

**vi) Retirement and Disposals**

An asset is derecognized on disposal or when no future economic benefits are expected from its use and subsequent disposal. On disposal of property, plant and equipment, the cost and accumulated depreciation are eliminated. Gain or loss arising from the retirement or disposal of an asset is determined as the difference between the net disposal proceeds and the carrying amount of the assets and is recognized as gain or loss from disposal of asset under other income in the statement of profit or loss and other comprehensive income.

**v) Revaluation of Property, Plant and Equipment**

Land and land development, factory building, plant and machineries were revalued by "Ahmed Zaker & Co., Chartered Accountants" as independent external valuator to conduct the valuation of "Land and land development, plant and machinery and factory building" of the Company as of 31 March 2021. The revalued classes of Property, Plant and Equipment are depreciated over the remaining useful lives. Difference of depreciation between revalued carrying amount and depreciation based on carrying amount as per assets original cost has been transferred from Revaluation Reserve to Retained Earnings as shown in Statement of Changes in Equity.

The valuation has been conducted using the fair market value method as this is most commonly and appropriate for valuation of such class of assets. After having completed all the tasks, fair market value of land and land development, plant and machinery and factory building owned by the Company as of 31 March 2021 has been estimated BDT at 7,719,344,986 resulting in net revaluation gain of BDT 4,330,383,105.

**3.03 Intangible Assets**

**i) Recognition and Measurement**

Intangible assets are measured at cost less accumulated amortization and accumulated impairment loss, if any. Intangible asset is recognized when all the conditions for recognition as per IAS 38 Intangible assets are met. The cost of an intangible asset comprises its purchase price, import duties and non-refundable taxes and any directly attributable cost of preparing the asset for its intended use.

**ii) Amortization**

Amortization is recognized in the statement of profit or loss and other comprehensive income on straight line method at the rate of 10% per annum. Amortization is charged on an asset when the asset is available for use i.e. when it is in the location and condition necessary for it to be capable of operating in the manner intended by management. Amortization of an asset ceases at earlier of the date that the asset is classified as held for sale in accordance with IFRS 5 and the date that the asset is derecognised.

**iii) Subsequent Costs**

Subsequent cost is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditures are recognized in profit or loss and other comprehensive income as incurred.

**3.04 Capital Work-in-Progress**

Capital work-in-progress represents the cost incurred for acquisition and/or construction of property, plant and equipment that were not ready for use at the end of 30 June 2021 and these are stated at cost.

**3.05 Leases**

At inception of an arrangement, the company determines whether the arrangement is or contains a lease. At inception or on reassessment of an arrangement that contains a lease, the entity separates payments and other consideration required by the arrangement into those for the lease and those for other elements on the basis of their relative fair values.

### 3.05.01 Finance Lease

Leases in terms of which the company assumes substantially all the risks and rewards of ownership are classified as finance leases. Upon initial recognition the leased asset is measured at an amount equal to the lower of its fair value and the present value of the minimum lease payments. Subsequent to initial recognition, the asset is accounted for in accordance with the accounting policy applicable to that asset. Minimum lease payments made under finance lease are apportioned between the finance expense and the reduction of outstanding liability. The finance expense is allocated to each year during the lease term so as to produce a constant rate of interest on the remaining balance of the liability.

### 3.05.02 Operating Lease

Leases that are not finance lease are considered as operating leases and the leased assets are not recognised in the Company's Statement of Financial Position. Payments made under operating leases are recognised in profit or loss on a straight line basis over the term of the lease.

### 3.05.03 Leasehold Assets

Assets held under finance leases are recognized as assets of the company at their fair value at the date of acquisition or, if lower, at the present value of the minimum lease payments. The corresponding liability is included in the statement of financial position as a finance lease obligation. Lease payments are apportioned between finance costs and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance costs are recognized in the statement of profit or loss and other comprehensive income.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets.

### 3.06 Investment

- i. Investment in unquoted shares are initially recognized at cost. After initial recognition these are carried at cost less impairment losses, if any.
- ii. Investment in quoted shares are recognized at fair value through other comprehensive income. Changes in fair value are recognized under other comprehensive income in the financial statements. Fair values of investment in quoted shares are determined by reference to their quoted price less cost to sale in active market at the reporting date. Dividend and gain /(loss) from sale are recognised in the profit or loss.

### 3.07 Inventories

#### i) Nature of Inventories

Inventories comprise of Finished goods, Raw materials and Spares and other materials.

#### ii) Valuation of Inventories

Inventories are measured at lower of cost or net realizable value in accordance with the Para of 21 and 25 of IAS 2 "Inventories" after making due allowance for any obsolete or slow moving item and details of valuation are as follows:

<u>Category</u>	<u>Valuation method</u>
i) Raw materials	Valued at Cost or Net Realisable Value whichever is lower.
ii) Finished goods	Valued at Cost or Net Realisable Value whichever is lower.
iii) Spares and other materials	Based on weighted average method.

### 3.08 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### 3.08.01 Financial Assets

The Company initially recognizes loans, receivables and deposits on the date that they are originated. All other financial assets are recognized initially on the date at which the company becomes a party to the contractual provisions of the instrument.

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expires, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial assets are transferred.

Financial assets include Trade Receivables, Advances, Deposits and Prepayments, Short Term Investments, and Cash and cash equivalents.

#### Loans and Receivables

Loans and receivables are financial assets with fixed or determinable payments that are not quoted in an active market. Such assets are recognized initially at fair value plus any directly attributable transaction costs. Subsequent to initial recognition, loans and receivables are measured at amortized cost.

Loans and receivables comprise cash and cash equivalents, loans, trade receivables, and deposits.

**a) Trade Receivables**

Trade receivables are initially recognized at cost which is the fair value of the consideration given in return. After initial recognition, these are carried at cost less impairment losses, if any, due to un-collectability of any amount so recognized.

**b) Advances, Deposits and Prepayments**

Advances are initially measured at cost. After initial recognition, advances are carried at cost less deductions, adjustments or charges to other account heads such as Property, Plant and Equipment, Inventory or Expenses.

Deposits are measured at payment value.

Prepayments are initially measured at cost. After initial recognition, prepayments are carried at cost less charges to profit and loss.

**c) Cash and Cash Equivalents**

According to IAS-7 "Statement of Cash Flows " cash comprises cash in hand and bank deposit and cash equivalents are short term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. IAS-1 "Presentation of Financial Statements" provides that cash and cash equivalent are not restricted in use. Considering the provision of IAS 7 and IAS 1, cash in hand and bank balances have been considered as cash and cash equivalents.

**Available-for-sale**

Available-for-sale financial assets are non-derivative financial assets that are designated as available for sale and are not classified in any other categories of financial assets. Generally available-for-sale financial assets are recognized initially at fair value plus any directly attributable transaction costs and subsequent to initial recognition at fair value and changes therein other than impairment losses are recognized in other comprehensive income and presented in the fair value reserve in equity. Financial assets which are not traded in the market have been valued at cost unless any indication of impairment in value of such financial assets exist. Cumulative gain/losses recognized in the other comprehensive income are reclassified from equity to profit or loss upon derecognition or reclassification.

**3.08.02 Financial Liabilities**

The company initially recognizes all financial liabilities on the trade date which is the date the company becomes a party to the contractual provisions of the instrument.

The company derecognises a financial liability when its contractual obligations are discharged, cancelled or expired.

The company classifies non-derivative financial liabilities into the other financial liabilities category. Such financial liabilities are recognized initially at fair value less directly attributable transaction cost. Subsequent to initial recognition, these financial liabilities are measured at amortized cost.

Other financial liabilities comprise loans and borrowings, bank overdrafts and trade and other payables.

**a) Trade and Other Payables**

The company recognizes a financial liability when its contractual obligations arising from past events are certain and the settlement of which is expected to result in an outflow from the company of resources embodying economic benefits.

**b) Interest-bearing borrowings**

Interest-bearing borrowings comprise loans and operational overdraft.

**3.09 Impairment**

**3.09.01 Financial Assets**

Financial assets not carried at fair value through profit or loss, loans and receivables are assessed at each reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

**3.09.02 Non-Financial Assets**

The carrying amounts of the company's non-financial assets, other than inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the recoverable amount of the asset is estimated. An impairment loss is recognized if the carrying amount of an asset or its related cash-generating unit (CGU) exceeds its estimated recoverable amount.

### 3.10 Share Capital

Paid-up-capital represents total amount contributed by the shareholders and bonus shares issued by the company to the ordinary shareholders. Incremental costs directly attributable to the issue of ordinary shares are recognized as expenses as and when incurred. Holders of ordinary shares are entitled to receive dividends as declared from time to time and are entitled to vote at shareholders' meetings. In the event of a winding up of the company, ordinary shareholders will be rank after all other shareholders. Creditors are fully entitled to any proceeds of liquidation before all shareholders.

### 3.11 Employee Benefits

The company maintains both defined contribution plan and defined benefit plan for its eligible permanent employees.

#### 3.11.01 Defined Contribution Plan

The company maintains a recognized provident fund @ 5% of basic pay (Equally contributed by employee and employer) for all eligible permanent employees.

#### 3.11.02 Defined Benefit Plan

The company maintains an unfunded gratuity scheme, provision in respect of which is made annually for the employees. Gratuity payable at the end of each year is determined on the basis of following rules and regulations of the company;

Service Length	Payment Basis
Less than 5 (Five) years	Nil amounts
After completion of 5 (Five) years but upto 10 (Ten) years	Half times of last month basic salary X years of services
Above 10 (Ten) years but upto 15 (Fifteen) years	One times of last month basic salary X years of services
Above 15 (Fifteen) years	One and half times of last month basic salary X years of

Six months continued service in the year of leaving or retirement will be trailed as one year for the purpose of calculation of gratuity.

#### 3.11.03 Workers' Profit Participation and Welfare Funds

The company contributed 5% of net profit to the aforementioned fund in accordance with the requirement of Section 234 (Kha), Chapter 15 of Labour Law 2006 (as amended in 2013).

### 3.12 Taxation

#### 3.12.01 Current Tax

Provision for taxation is calculated on the basis of applicable corporate tax rate for publicly traded company as per ITO 1984.

#### 3.12.02 Deferred Tax

Deferred tax liabilities are the amount of income taxes payable in the future periods in respect of taxable temporary differences. Deferred tax assets are the amount of income taxes recoverable in future periods in respect of deductible temporary differences. Deferred tax assets and liabilities are recognized for the future tax consequences of timing differences arising between the carrying values of assets, liabilities, income and expenditure and their respective tax bases. Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantially enacted at the statement of financial position date. The impact of changes on the account in deferred tax assets and liabilities has also been recognized in the profit and loss account as per IAS-12 "Income taxes".

The deferred tax asset/income or liability/expense does not create a legal liability/recoverability to and from the income tax authority.

### 3.13 Loans and Borrowings

Principal amount of the loans and borrowings are stated at their outstanding amount. Borrowings repayable within twelve months from the financial position date are classified as current liabilities whereas borrowings repayable after twelve months from the financial position date are classified as non-current liabilities. Accrued interest and other charges are classified as current liabilities.

Interest and other costs incurred by the company in connection with the borrowing of funds are recognised as expense in the year in which they are incurred, unless such borrowing cost relates to acquisition / construction of assets in progress that are capitalized as per IAS 23 "Borrowing Costs". Borrowing cost incurred against loan for BMRE project has been capitalised under effective interest rate method.

### 3.14 Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized in the statement of financial position when the company has a legal or contractual obligation as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Contingent liabilities are not recognized but disclosed, unless the possibility of an outflow of economic resources is remote.

Contingent assets are not recognized but disclosed where an inflow of economic benefits is probable. When the realization of income is virtually certain, then the related asset is not a contingent asset and its recognition is appropriate.

### 3.15 Revenue Recognition

Revenue is measured based on the consideration specified in a contract with a customer. The Company recognises revenue when it transfers control over a good or service to a customer. The following table provides information about the nature and timing of the satisfaction of performance obligations in contracts with customers.

Type of products	Nature and timing of satisfaction of performance obligations	Revenue recognition under IFRS 15
- Local sales	Customers obtain control of products when goods are shipped out at factory gate. Invoices raised as per management approved price list are generated at that point in time.	Revenue is recognized when (or as) the entity satisfies a performance obligation by transferring the promised good or service to a customer.
- Export sales		
- By Products		

The company is in the business of providing M.S. Billet and M.S. Rod. Revenue from contracts with customers is recognised when control of the goods are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods. The Company has generally concluded that it is the principal in its revenue arrangements, because it typically controls the goods before transferring them to the customer.

Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of Value Added Tax (VAT). Gross turnover comprises local sales of M. S. Billet, M.S. Rod, By-products, export of M.S. Rod and includes VAT paid to the Government of Bangladesh.

The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price for local sales, the Company considers the effects of variable consideration payable to the customer.

The company has variable considerations included in the contracts with customers which are netted off against the revenue to determine the transaction price. The variable considerations are pre-determined. The effect of variable considerations on revenue is only from contracts with local customers.

### 3.16 Other Income

Other income includes gain / (loss) on sale of property, plant and equipment, Gain on sale of investment in quoted shares, dividend and other miscellaneous.

### 3.17 Finance Income and Cost

#### 3.17.01 Finance Income

Interest income on bank deposits and loan to related companies is recognised in the profit or loss in accrual basis following specific rate of interest in agreement with banks, financial institution and related companies.

#### 3.17.02 Finance Cost

Interest expenses comprises interest expense on operational overdraft, LATR, term loan and short term borrowings incurred during the period are charged to Statement of Profit or Loss and Other Comprehensive Income.

#### 3.17.03 Transactions in Foreign Currencies

Foreign currency transactions are recorded at the applicable rates of exchange ruling on the date of transactions. Monetary assets and liabilities, if any, denominated in foreign currencies at the reporting date are translated at the applicable rates of exchange ruling at that date and the related exchange differences are recognized as gain or loss in the profit or loss under finance cost.

### 3.18 Earnings Per Share

The company calculates its earnings per share in accordance with International Accounting Standard IAS-33 "Earnings per Share" which has been reported on the face of Statement of Profit or Loss and Other Comprehensive Income.

#### 3.18.01 Basis of Earnings

This represents profit for the year attributable to ordinary shareholders. As there were no preference shares requiring returns or dividends, non-controlling interest or extra ordinary items, the net profit after tax for the year has been considered as fully attributable to the ordinary shareholders.

### **3.18.02 Basic Earnings Per Share**

This has been calculated by dividing total attributable profit by the total number of ordinary shares outstanding during the year.

### **3.18.03 Diluted Earnings Per Share**

Diluted earnings per share is required to be calculated for the year when there is scope for dilution exists.

### **3.18.04 Re-stated Earnings Per Share**

Issue of bonus share in any year requires re-stating the EPS of the prior year. In such a case, the EPS calculation for those and any prior financial statements presented are based on the new number of shares.

### **3.19 Measurement of Fair Values**

When measuring the fair value of an asset or liability, the entity uses market observable data as far as possible. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

**Level 1:** Quoted prices (unadjusted) in active markets for identical assets and liabilities.

**Level 2:** Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

**Level 3:** Inputs for the assets or liabilities that are not based on observable market data.

If the inputs used to measure the fair value of an asset or liability might be categorized in different levels of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

#### **Property, Plant and Equipment**

The fair value of items of property, plant and equipment has been determined based on the depreciated replacement cost method and net realizable value method as applicable.

#### **Equity and Debt Securities**

Fair values of tradable equity and debt securities are determined by reference to their quoted closing price in active market at the reporting date which are categorized under 'Level 1' of the fair value hierarchy.

### **3.20 Events after the Reporting Period**

Events after the reporting period that provide additional information about the company's position at the date of Statement of Financial Position or those that indicate the going concern assumption is not appropriate are reflected in the Financial Statements. Events after the reporting period that are not adjusting events are disclosed in the notes when material.

4.00 Property, plant and equipment - Revalued Model

	Amount in Taka

	<b>Restated Earnings Per Share</b>		<b>0.75</b>

**30.02 Diluted EPS**

No diluted EPS was required to be calculated for the period since there was no scope for dilution of share during the period under review.

**30.03** The Company marketed its new products of the new expansion plant and during the year under audit the sales volume has been increased, consequently this has affected in EPS. Moreover, the Company has also exported a significant quantity of MS Billet to the People's Republic of China from its new expansion plant. As a result, the market share of the Company has been increased significantly. The combined effects of all above registered a positive impact on EPS and significant deviation has been occurred compared to the corresponding period.

**39.03 Capital expenditure commitment**

There is no capital expenditure commitment as at 30 June 2021.

**40.00 Events after reporting date**

**40.01 Proposed Dividend:**

The Board of Directors at the meeting held on 28 October 2021 has recommended 10% stock dividend and 20% cash dividend for the year ended 30 June 2021 (2020: 5% stock dividend and 5% cash) which is subject to approval by the shareholders in the Annual General Meeting.

**40.02 Minimum amount to be distributed as dividend**

As per section 16G of Income Tax Ordinance 1984, as a listed company, GPH Ispat shall declare and distribute at least 30% of the net profit after tax as dividend (as per section 16F stock and cash) to its shareholders otherwise 10% tax shall be imposed on the total amount of retained earnings, fund, reserve or surplus.

Profit after tax	1,660,893,429	299,417,556
Maximum amount can be transferred to retained earnings (70% of net profit after tax)	-	(209,592,289)
<b>Minimum amount to be distributed as dividend (30% of net profit after tax)</b>	<b>498,268,029</b>	<b>89,825,267</b>

As the company complied abovementioned section, no provision has been made for minimum amount to be distributed as dividend for the year ended 30 June 2021.

**41.00 Credit facility not availed**

There was no credit facility available to the company under any contract, but not availed as on 30 June 2021 other than trade credit available in the ordinary course of business.

**42.00 Financial risk management**

International Financial Reporting Standard (IFRS) 7 - Financial Instruments: Disclosures - requires disclosure of information relating to both recognized and unrecognized financial instruments, their significance and performance, accounting policies, terms and conditions, net fair values and risk information- the Company's policies for controlling risks and exposures.

The management has overall responsibility for the establishment and oversight of the company's risk management framework. The company's risk management policies are established to identify and analyse the risks faced by the company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies, procedures and systems are reviewed regularly to reflect changes in market conditions and the company's activities. This note presents information about the company's exposure to each of the following risks, the company's objectives, policies and processes for measuring and managing risk, and its management of capital. The company has exposure to the following risks from its use of financial instruments.

	<b>Note(s)</b>
a) Credit risk	42.01
b) Liquidity risk	42.02
c) Market risk	42.03

**42.01 Credit risk**

Credit risk is the risk of a financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the company's receivables from distributors, institutional and export customers etc.

Management has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis.

In monitoring credit risk, debtors are grouped according to their risk profile, i.e. their legal status, financial condition, ageing profile etc. Accounts receivable are related to sale of steels (M.S. Billet, M.S. Rod and allied products).

The maximum exposure to credit risk is represented by the carrying amount of each financial asset in the statement of financial position.

**a) Exposure to credit risk**

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was:

	Note(s)	Amount in Taka	Amount in Taka
		30 June 2021	30 June 2020
Trade and other receivables	12	3,367,753,798	2,621,012,146

		<b>9,913,770,774</b>	<b>5,991,555,250</b>
<b>b) Ageing of receivables</b>			
Dues within 6 months		2,870,188,712	2,167,326,014
Dues over 6 months		85,670,420	81,269,136
		<b>2,955,859,132</b>	<b>2,248,595,150</b>

#### 42.02 Liquidity risk

Liquidity risk is the risk that the company will not be able to meet its financial obligations as they fall due. The company's approach to managing liquidity (cash and cash equivalents) is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the company's reputation. Typically, the company ensures that it has sufficient cash and cash equivalents to meet expected operational expenses, including financial obligations through preparation of the cash flow forecast, based on time line of payment of financial obligations and accordingly arrange for sufficient liquidity/fund to make the expected payments within due dates. Moreover, the company seeks to maintain short term lines of credit with scheduled commercial banks to ensure payment of obligation in the event that there is insufficient cash to make the required payment. The requirement is determined in advance through cash flow projections and credit lines with banks are negotiated accordingly.

The following are the contractual maturities of financial liabilities:

Category of Liabilities	Carrying amount Taka	Nominal interest rate	Contractual cash flows		
			Within 12 months or less Taka	Over 12 months Taka	Total Taka
			Defined Benefit Obligation - Gratuity	50,517,125	N/A
Long term loan	23,861,722,586	4.62% - 9.00%	2,283,792,410	21,577,930,176	23,861,722,586
Short term loans	14,940,744,433	9.00%	14,940,744,433	-	14,940,744,433
Finance lease obligations	153,326,825	9.00% - 14.50%	33,245,616	120,081,209	153,326,825
Creditors and accruals	1,760,281,610	N/A	1,760,281,610	-	1,760,281,610
	<b>40,766,592,579</b>		<b>19,018,064,069</b>	<b>21,748,528,510</b>	<b>40,766,592,579</b>

#### 42.03 Market Risk

Market risk is the risk that changes in market prices such as foreign exchange rates, will affect the company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

##### a) Currency risk

The company is exposed to currency risk on certain revenues and purchases such as melting scrap, chemical and acquisition of equipment. Majority of the company's foreign currency transactions are denominated in USD.

##### (i) Exposure to currency risk

###### As at 30 June 2021

###### Foreign currency denominated assets

Cash and cash equivalents

	Euro	GBP	USD	Taka
	-	113.34	552.01	60,163
	-	<b>113.34</b>	<b>552.01</b>	<b>60,163</b>

###### Foreign currency denominated liabilities

ECA Backed Finance

Long Term Financing Facility

Liability for Accepted Bills for Payment (ABP)

	-	-	91,597,924.79	7,776,663,815
	-	-	49,141,032.37	4,172,073,648
	-	-	36,777,050.28	3,122,371,569
	-	-	<b>177,516,007.44</b>	<b>15,071,109,032</b>
<b>Net exposure</b>	-	<b>113.34</b>	<b>(177,515,455.43)</b>	<b>(15,071,048,869)</b>

As at 30 June 2020

Liquidity risk is the risk that the

Foreign currency denominated assets

Cash and cash equivalents

	Euro	GBP	USD	Taka
	-	113.30	552.02	58,664
	-	113.30	552.02	58,664
<b>Foreign currency denominated liabilities</b>				
ECA Backed Finance	-	-	91,597,924.80	7,772,083,919
Long Term Financing Facility	-	-	41,999,234.59	3,563,635,055
Liability for Accepted Bills for Payment (ABP)	-	-	22,122,438.40	1,964,640,328
	-	-	155,719,597.78	13,300,359,302
<b>Net exposure</b>	-	113.30	(155,719,045.76)	(13,300,300,638)

The company has translated all of its monetary items in foreign currency at the end of its accounting period by using two different rates since the bank offering two different rates for settling its assets and liabilities in foreign currency.

The following significant exchange rate is applied during the year:

	30 June 2021	30 June 2020
	Taka	Taka
Exchange rate of US Dollar	84.90	84.85
Exchange rate of GBP	117.32	104.37
Exchange rate of Euro	-	95.37

(ii) Foreign exchange rate sensitivity analysis for foreign currency expenditures

A reasonably possible strengthening (weakening) of the US Dollar against BD Taka at the reporting date would have affected the measurement of financial instruments denominated in a foreign currency and affected equity and profit or loss by the amounts shown below. The analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecasted sales and purchases.

		30 June 2021		30 June 2020	
		Profit or loss		Profit or loss	
		Strengthening	Weakening	Strengthening	Weakening
		Taka	Taka	Taka	Taka
USD	(2% movement)	(301,421,243)	301,421,243	(264,255,221)	264,255,221
GBP	(2% movement)	266	(266)	237	(237)
Euro	(2% movement)	-	-	(1,751,029)	1,751,029

(b) Transaction risk

Transaction risk is the risk that the Company will incur exchange losses when the accounting results are translated into the home currency.

(c) Economic risk

Economic risk refers to the effect of exchange rate movements on the international competitiveness of the company.

(d) Interest rate risk

Interest rate risk is the risk that arises due to changes in interest rates on borrowings. Short term bank borrowings are, however, not significantly affected by fluctuations in interest rates. The company has not entered into any type of derivative instrument in order to hedge interest rate risk as at the reporting date.

Exposure to interest rate risk

The interest rate profile of the company's interest-bearing financial instruments as reported to the management of the company is as follows.

	30 June 2021	30 June 2020
	Taka	Taka
<b>Fixed-rate instruments</b>		
Fixed rate instrument		
Financial assets	9,913,770,774	5,991,555,250
Financial liabilities	38,955,793,844	32,437,373,684
	48,869,564,618	38,428,928,934
<b>Variable-rate instruments</b>		
Financial assets	Nil	Nil
Financial liabilities	Nil	Nil
	-	-

Cash flow sensitivity analysis for variable rate instruments

There being no variable rate instruments, sensitivity analysis has not presented.

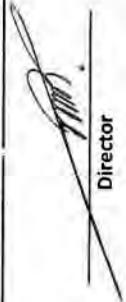

#### 43.00 Financial Instruments- Accounting classifications and fair values

The following table shows the carrying amounts of financial assets and financial liabilities. It does not include fair value information for financial assets and financial liabilities not measured at fair value as the carrying amount is a reasonable approximation of fair value.

Note ref.	Fair value through profit or loss		Fair value through OCI		Financial assets at amortised cost		Other financial liabilities		Total
